

Consumed tooling
doesn't have
to eat away at
your profitability.

Kennametal's Scrap Recycling Program is:

- **CONVENIENT** — We provide shipping containers, quotes, and easy-to-follow instructions that enable you to quickly and simply send us your spent carbide!
- **CASH OR CREDIT REWARDING** — We give you money, an invoice reduction, or new tools for your used products!
- **CERTIFIED** — We ensure that your returned materials are reprocessed by the latest and most environmentally safe methods!
