

PROVEN RELIABILITY. UNPARALLELED PRODUCTIVITY.

Underground or on the surface, the foundation for a successful mining operation is built on rock-steady forward progress. Kennametal, the world's leading tooling and services provider, is proud to introduce SOLID, our solution-focused program that delivers new levels of performance and productivity.

From longwall to continuous miner to breaker/crusher cutting drum operations and more, engineered SOLID solutions deliver in the most challenging conditions. For unmatched quality, value, innovation, and application expertise, call 800.458.3608, 814.623.2711, or visit www.kennametal.com.
