

TRENCH STRENGTH: **Our latest high-performance, cost-saving blocks!**

***For unsurpassed power, rigidity, and durability —
no matter how challenging your trenching operation!***

MyT™ Blocks

- Clip removal and insertion a snap – plus, uniquely engineered face yields exceptional tool fit, rotation, and performance!
- Maximum weld area — with a specially designed chamfer that provides a precise lead angle for gage cutters!
- Two sizes available!

K30S TS™ Block Assembly

- Heavy-duty barrel and strap deliver superior service life!
- Tool penetration and output optimized by 50° attack angle!
- Restore bore to new by simply replacing press-fit bushing — no welding required!

Kennametal will significantly boost your trenching productivity and profitability!

Let us prove it.
