This Kennametal India Limited ('KIL') code of conduct for regulating, monitoring and reporting of trading in securities by designated person, their immediate relatives (the 'Code') has been adopted by Kennametal India Limited (the 'Company' or 'KIL') pursuant to Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 and amendments thereto. The purpose and intent of the Code is to regulate, monitor and report trading in securities of the Company by its Designated Persons and immediate relatives of the Designated Persons towards achieving compliance of these Regulations, adopting the minimum standards set out in Schedule B of the Regulations, 2015. This code is to ensure the compliance of the regulations by Designated Persons & their Immediate Relatives and to ensure transparency and fairness in all transactions relating to trading of the company's securities.

This Code has come into force effective May 15, 2015 and was applicable to all the Directors / Officers / Employees of the Company and other Connected Persons.

This Code has been amended on April 1, 2019, May 12, 2021, February 3, 2022, May 11, 2022 and further amended on May 15, 2025. This Code will be applicable to all the Designated Persons and their Immediate Relatives.

This Code is formulated pursuant to Regulation 9 of the SEBI (Prohibition of Insider Trading) Regulations, 2015 [**"SEBI (PIT) Regulations"**]. It will be responsibility of each Designated Person to ensure compliance of SEBI (PIT) Regulations, codes thereon and guidelines as issued time to time.

II. OBJECTIVES OF THE CODE

The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 seek to govern the conduct of Designated Persons and their Immediate Relatives on matters relating to Insider Trading. Insider Trading involves trading in the securities of a company listed or proposed to be listed, by any persons in possession of or with access to unpublished price sensitive information not available to the general public, who can take advantage of or benefit from such unpublished price sensitive information. Trading in securities by an 'insider' is regarded unfair when it is predicated upon utilization of 'inside' information to profit at the expense of other investors who do not have access to the same information.

This Code of Conduct has been prepared by adopting the standards set out in Schedule B of the Regulations in order to regulate, monitor and report trading by its designated persons and immediate relatives of designated persons towards achieving compliance with the Regulations.

In order to fully understand the scope of restrictions on insider trading, it is useful to understand the following terms/definitions.
